12 January 1953

25X1A

MEMORANDUM FOR: [ ]

SUBJECT : PSB Panels

25X1A

1. Germany (D-21): [ ] says that some mistakes were found in the draft sent over this week. The Defense representative still objects to the action assignments, and [ ] understands that the matter is going to be handled in a separate cover letter from PSB explaining that the problem goes beyond the Berlin supplement and needs a policy decision.

25X1A

25X1A

2. Middle East (D-22): I was unable to reach [ ]. Major [ ] says that the plan is still in process of development; it is going out once more in draft form to the panel members and will be submitted to the agencies Tuesday, 13 January.

25X1A

3. Southeast Asia (D-23): The paper for approval was received Friday, 9 January, and referred to [ ]. Before studying it, she said that she understood that the plan contained a sentence about the powers of the Ambassador to which CIA should object.

25X1A

25X1A

4. Doctrinal Warfare (D-33): A meeting was held with [ ] Tuesday, 6 January, attended by [ ] (part-time), [ ] (part-time), [ ]. It concerned the book research project proposed to be undertaken by CIA for this panel. The only points of interest to us covered in the meeting are:

25X1A

25X1A

a. [ ] will maintain informal liaison with [ ] (researcher) during the project;

25X1A

b. Taylor of PSB will write a letter to you requesting the study; and

25X1A

c. The project officer is to be aware of the informal liaison between [ ]
